MJA Members Facebook page

# 2020 MJA Virtual JEWELRY DESIGN CONTEST RULES

## Qualification Section

1. All stores sponsoring contest entries must be current MJA members in good standing.
2. Each Member Store is Limited to **THREE** entries. Stores with multiple locations are considered as one member store.
3. Any person professionally employed in the jewelry industry and currently employed by an MJA member store in good standing.

## Production/Fabrication Section

1. All entries must be the designer's own original concept and must be produced within 18 months of the competition deadline. Only new entries will be accepted in the MJA competition. All entries must be produced by the member store.
2. **OTHER THAN CASTING OUTSIDE CONTRACT LABOR MAY NOT BE USED**
3. Commercial findings such as heads and prong settings may be used to set gemstones, but commercially made ornamental elements and ring shanks may not be used. A design composed 50% or more of primarily commercially made parts does not qualify as an original design.

## Entry Terms and Conditions Section

1. A list of processes and equipment used to create piece, i.e. CAD, Laser, what portion was cast, and what was commercially made. No more than three pictures showing multiple angles of the piece must be included with each entry for display on Facebook & Missourijewelers.org
2. The MJA Jewelry Design Contest Committee reserves the right to disqualify any entrant that does not meet these guidelines and will be the final arbiter in any dispute.
